We ask this through Jesus Christ, the Prince of Peace. Amen.

### **Reflection for Sunday**

Whoever said, "The pen is mightier than the sword" understood the power of words. Words express our thoughts and feelings. They tell what we are like. Through words we communicate with others and form relationships. Word is a good name for the Son of God for many reasons. God is so totally different and great that words can't possibly describe what God is like. Even so, we try to speak about God using our human language. Theologians try to explain the Trinity by presenting Jesus as the Word. The Father thinks about himself. This thought of God is so powerful that it becomes another Person, namely the Son of God. These two Persons behold each other and their love becomes a third Person, the Holy Spirit. This process does not occur step by step but has always been going on. All three Persons are eternal, and they are co-equal. The thought of God, who is the Son of God, is rightly called the Word. "In times past, God spoke in partial and various ways to our ancestors through the prophets; in these last days, he spoke to us through a son" (Hebrews 1:1-2). Jesus is Word because he communicates God's mind to us. He is a message from God. What does Jesus say? He speaks of what God is like. He reveals the tremendous love God has for us.
